**The Selection Process Details**

The selection process consists of two rounds of online interviews. First round of interviews will be conducted to the eligible and confirmed applicants (R1-Interview Shortlist). Candidates for the second round of interviews (R2-Interview Shortlist) will be shortlisted based on the performance in the first round of interview.

**Schedule of Events**

<b>Event</b>	<b>Schedule</b>
R1 interviews	July 7 <sup>th</sup> , 2023
R2 interview shortlist	July 8 <sup>th</sup> , 2023
R2 interviews	July 10 <sup>th</sup> , 2023

**Round 1 interview:** An online interview based on prior experience/M.Tech Project will be conducted to assess the basic understanding related to project and overall Mechanical Engineering. The duration of this will be 10-20 min. You will be given a time-slot window (about 1–3 hours) during which we may connect with you anytime. Your specific time-slot will be communicated to you through an email. The interaction must be taken on a desktop or laptop PC with a webcam, a speaker and a microphone. The candidates are not allowed to refer to their books and any online material during the test. The candidates are not permitted to communicate with any person during the test. The candidates may be remotely proctored via the webcam and screen-sharing options.

**Round 2 interview:** Each applicant short-listed in first round will undergo an interview, with technical questions, for a duration of approximately 20-30 minutes. Access to books and online material is not permitted in this round, unless allowed by the interview panel. You will be given a time-slot
