

Vritika Internship/training at IIT Dharwad (Winter 2023-24)

(BioM3D Lab, Dept. of MMAE)

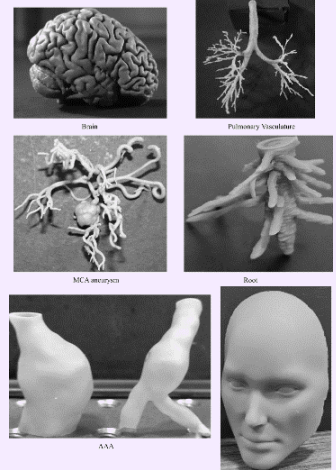

Internship/training under the SERB Accelerated Vigyan Programme - Vritika

Objective - To groom students (primarily from Universities, Colleges, Private Academic Institutions, and newly established Institutes) in their scientific career pursuits by developing dedicated research skills in selected areas/discipline/fields of Science and Engineering through Training and Skill Internship.

Focus area - Research internship on “3D modeling and applications of multimodal systems in the Smart Indoor Spaces” in BioM3D lab at MMAE Dept. IIT Dharwad

Eligibility - The program is meant to support regular PG and UG 4th-year level students who are having a strong orientation towards scientific and engineering research and are pursuing their degree from University / Institution within India (primarily from universities, colleges, private academic institutions) in the fields of Science and Engineering and having an interest in scientific research.

Apply using [QR Code](#) given on right or IIT Dharwad portal >> Research Vacancies >> Vritika –BioM3D

Deadline to apply – 07/11/ 2023 11:59pm

Details -

- The applicants produce a letter of authentication from their Supervisor / Head of the Department / Head of the Institute indicating their association with the Institute and “No Objection Certificate (NOC)” for allowing their student to undergo internship, if selected.
- The internship will be given for meeting daily necessary expenses such as stationery, consumables, accommodation, food, etc., and will not contain any stipend for them. **The support amount will be upto maximum Rs. 30000/- per intern for the whole internship period.**
- The interns will be eligible for TA reimbursement for their journey to the host institute from their hometown/home institute, both ways, as per GOI norms.

The period of the Training and **Skill Internship shall be at least 4 weeks but not exceeding 2 months (maximum up to 27th January 2024)**

- The supervisor to whom the interns are attached would be assigning them tasks/assignments, on which, the intern should work and prepare a report to be submitted.

A certificate regarding successful completion of internship shall be issued to the intern by the supervisor and head of the concern department on satisfactory completion of the internship and on submission of the assignment report. Interns not completing the requisite period will not be issued any certificate.

Note – Rules published by SERB here will supersede and be applicable for this support please refer: <https://acceleratevigyan.gov.in/programs/abhyas/vritika>
